

BARCELONA

NEW FABRIC - BARCELONA

BARCELONA

Modern and luxurious!

Barcelona is a velvet fabric that looks luxurious and modern in different interiors. This furniture fabric is breathable and features a special layer that prevents the rapid absorption of liquids. Barcelona's short-pile surface is soft, meaning that not only will bean bags with this fabric be comfortable, they will also be pleasant to touch. No chemicals are used in the production of this slightly shimmering fabric (verified compliance with REACH) and it is suitable for interior use. If needed, we recommend dry-cleaning the bean bag's cover using tetrachloroethylene. Give your home a touch of luxury with Barcelona fabric bean bags!

ROLL 85

For extra soft lounging!

Roll is a donut-shaped bean bag designed for especially soft lounging. Round handmade bean bags are made in two sizes: Roll 85 is smaller and more compact, and Roll 100 is more suitable for spacious homes. This soft piece of furniture is designed with handles so that it would be easily moved to different places in the room, thus making it suitable for both children and adults. The granules inside the bean bag perfectly adapt to the body shape, thus providing a person with more comfort. Roll is a perfect choice when you just want to lounge and nothing more.
